Motivation

I just love to create good-looking, intuitive and helpful software for people. If I can work on a project like that - I'm all in! I also like to work with other engineers which have a **positive attitude** and like to **share** knowledge, **discuss** solutions and to **help** each other when it's needed.

Experience

2018 - **Today**	**Solopreneur**	Software Engineer
2017 - 2018	**Allegro**	Software Engineer
2016 - 2017	**Allegro**	Junior Software Engineer
2015 - 2016	**Allegro**	Junior Software Tester
2015 - 2016	**mTab Poland**	Junior .NET Developer
2013 - 2014	**mTab Poland**	Software Tester
